

TEAM BUILDING & GROUP EXPERIENCES

A modern, industrial-style meeting room. The room features a long, light-colored wooden conference table surrounded by blue upholstered chairs. On the left, there is a long wooden desk with a stack of books and a potted plant. A large, abstract painting in shades of blue and green hangs on the dark wall. The ceiling has exposed pipes and track lighting. In the background, a bar area with shelves and pendant lights is visible. The floor is made of light-colored wood with a red and black striped rug under the table.
